

REMARKS

In the Office Action of July 9, 2010, claims 15, 17-20, 22-23, 25-28, 30 and 33-44 were allowed and such allowance is gratefully acknowledged.

Claim 20 was objected to as containing extraneous matter in the form of a box or square and this has been deleted by the amendment.

Claims 21 and 29 were rejected over prior art. These claims have now been canceled by the amendment.

Since the amendment only complied with requirements made by the Examiner in the final action, entry of the amendment is respectfully requested.

In the event that any fee is deemed to be due, the Director is hereby authorized to charge Boyle Fredrickson Deposit Acct. No. 50-1170.

After the amendment, claims 15, 17-20, 22-23, 25-28, 30 and 33-44 are now pending and a Notice of Allowance for these claims is earnestly solicited.

Respectfully submitted,

By:
